

Manual & Pneumatic Lined Valves – Series 2400

★ **Pneumatic Diaphragm Control Valves – Series 10**

Body: Cast Carbon Steel, Stainless Steel
 Actuator: Pneumatic Diaphragm
 End Connection: Flanged End ANSI

Size: 15 mm to 150 mm – ½" to 6"
 Characteristics: Linear, Equal Percentage
 Service: Chemicals, Steam, Water, Air, Gas, Light Oil, Coolant

★ **Pneumatic Cylinder Angle Valves – Series 600**

Body: Investment Casting Stainless Steel
 Actuator: Pneumatic Cylinder Plastic, Aluminum
 End Connection: Screwed End (F),
 Flanged End ANSI, Tri clover End, Butt Weld

Size: 15 mm to 80 mm – ½" to 3"
 Characteristics: ON - OFF, Equal Percentage
 Service: Steam, Water, Vacuum, Air, Gas, Coolant

★ **Pneumatic & Electric Ball Valves – Series 1100**

Body: Cast Carbon Steel, Stainless Steel, Polypropylene
 Actuator: Rotary Pneumatic, Electrical
 End Connection: Screwed End (F),
 Flanged End ANSI, Tri clover End

Size: 15 mm to 200 mm – ½" to 8"
 Characteristics: ON - OFF, Proportional
 Service: Steam, Water, Vacuum, Air, Gas, Oil, Coolant, Chemicals

★ **Manual & Pneumatic Diaphragm Valves – Series 2200**

Body: Cast Iron, Stainless Steel, Poly Propylene
 Actuator: Pneumatic Diaphragm, Cylinder, Electrical
 End Connection: Flanged End ANSI, Tri clover End

Size: 15 mm to 150 mm – ½" to 6"
 Characteristics: ON - OFF, Proportional
 Service: Water, Steam

★ **Manual & Pneumatic Lined Valves – Series 2400**

Body: Cast Carbon Steel with Lining
 Actuator: Manual, Pneumatic
 End Connection: Flanged End ANSI

Size: 15 mm to 300 mm - ½" to 12"
 Characteristics: ON - OFF, Proportional
 Service: Chemicals, Caustic Soda, Corrosive Chemicals

Manufacturers of :

Pneumatic Cylinder Valves, Diaphragm Control Valves, Ball Valves & Butterfly Valves with Pneumatic & Electric Actuator
 3 Way Diaphragm Control Valve, Cage Guided Control Valve

Office : Plot No. 415, Annapurna, Sector - 21, Yamuna Nagar, PCNDTA, Pune. Pin - 411044.

Factory : PAP - B-74/2, Chakan Industrial Area - Phase - 2, Village - Varale, Taluka - Khed, Dist. - Pune. Pin - 410501.

Ph. : 91-7498598096 • Email : madho@vsnl.com • Website : www.madhocontrols.com
